**BACKGROUND** The coordination of all aspects of the City of Knoxville's youth athletic Track & Field and Cross Country programs has been administered by Knoxville Youth Athletics, LLC (previously Eight Lane Consultants, LLC, which changed its name) for many years. It has been responsible for all aspects of the program, including but not limited to managing youth meets and practices, coordinating and soliciting private and public funding sources, budget maintenance, ordering supplies/equipment and performing other related work as required. All renewal options have been used with the current contract in place; therefore, Parks and Recreation is requesting to extend the agreement to allow services to continue until the RFP process and evaluation/selection have been completed.
