
CITY OF KNOXVILLE
ENGINEERING DEPARTMENT
INTER-DEPARTMENTAL MEMORANDUM

DATE: July 1, 2019

TO: Penny Owens, Assistant Purchasing Agent

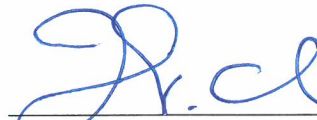

FROM: Thomas V. Clabo, Chief Civil Engineer

SUBJECT: A NEW FACILITY FOR CITY OF KNOXVILLE VEHICLE IMPOUNDMENT
PROJECT 19L-V-0671

The Engineering Department has reviewed the bids for the above referenced Project and recommends that the Project be awarded to Merit Construction, Inc. The lowest responsive bid, including the two additional alternate items, was \$523,120.00. However the contract items listed below have been adjusted resulting in a lower bid price.

Alternate #A – The Generac, 48kW LP Genset, Model #RG048, has been removed from this alternate, thereby decreasing the total price by \$12,375.00.

Therefore, the contract price has been reduced by \$12,375.00 for a new contract price of \$510,745.00. Please request that a contract for \$510,745.00 be placed on the next Council Agenda.

Thomas V. Clabo, P.E.
Chief Civil Engineer
